

## CHUNKY CROCK POT APPLESAUCE

### INGREDIENTS

6 pounds organic apples  
cinnamon to taste

Peel the apples, quarter them, and remove the core.

Dice the quartered apples into 3-4 pieces each and place the apple pieces into the crock pot.

Sprinkle desired amount of cinnamon onto the apples (I use about 2 Tbs.).

Turn the crock pot on low for 6 hours.

Mash the applesauce until you reach your desired chunkiness.

This recipe is good on its own either warm or cold. I personally love to have it for dessert with granola sprinkled on top.

Enjoy!
